BADGEMAKER

BADGEMAKER BASE
CREATE YOUR OWN CARD

Corporate security is vital. Employee identification is crucial. BadgeMaker BASE brings you all the tools you need for an efficient ID card production.

Create professional ID cards featuring backgrounds, dynamic logos, text labels, graphics and barcodes with the BadgeMaker Design software module. Use the BadgeMaker Identity module to easily import, add and modify card holder details. Link your card layout to the card holder data and print effortlessly with a single command.

- **Automatic software update**
- **Professional card design**
- **Intuitive data management**
- **Biometric capture and upload**
- **Double sided and batch printing**
